

I am writing this in regard to K-LOVE.

1. K-LOVE serves my family as a resident of the local community by providing music and news that my whole family can listen to. I never have to worry about my child hearing obscene language or inappropriate stories. I trust K-LOVE and depend on them for my entertainment each and every day.

2. The effect on the local community by replacing K-LOVE by an LPFM broadcaster providing other programming would be devastating. My family contributes monthly to the support of this radio channel and we cherish it. It is the only commercial free christian music station available to us. I know of many who have tuned in and been comforted by the words and music provided. This station is a part of our daily lives.

3. I believe the service provided by K-LOVE is in the public interest because everyone deserves the right to choose what kind of station they tune into. By removing K-LOVE, you are taking away an opportunity for someone to tune and in be touched by what K-LOVE has to offer. In the time I have come to support K-LOVE I have shared it with many others who now support it as well. The public deserves the right to listen to this wonderful, Christian station and here the music, news, and informational news it provides. Besides all of that, it is commercial free and I know of no other station that you can listen to music to for close to 24 hours a day!

Thank you for taking the time to read this. Please do not remove K-LOVE from the air. This station has been supportive to me and my family for years and I cannot imagine a day without it.
